

Building Batch Data Analytics Solutions on AWS

Trainings-ID: AWSS15

[Zum Seminar →](#)

Das nehmen Sie mit

Do you need to operate, and scale your big data environments by automating time-consuming tasks? The Building Batch Data Analytics Solutions on AWS course will help you learn how to build batch data analytics solutions using Amazon EMR to optimize cost and performance.

This course is part of the Building Modern Data Analytics Solutions on AWS collection of four, one-day, intermediate-level classroom training courses.

Zielgruppen

- Data platform engineers
- Architects and operators who build and manage data analytics pipelines
