Trainings-ID: KM615

[Zum Seminar →](#)

Das nehmen Sie mit

In this course students learn how the Information Governance Catalog is used to govern information assets through the development of a governance catalog of categories and terms. This catalog documents information assets and governance policies and rules that implement the high-level strategy and objectives of a governance program.

Zielgruppen

This is a basic course for those who will be using the Information Governance Catalog to develop and implement their information governance strategy.
